

U. S. History Assignment 4

1. Prepare to take an online exam next week, which will cover Unit 1 and the first section of Unit 2. The test will be 20 questions, based mostly on your reading and lecture notes. Pay heed to the time limit given for the test and write on the paper given. The question will include a DBQ, which I explained in our study group.
2. Read Abeka history, chapter 4, part 1). Know the people and places, terms and Identify at the end of the chapter. As usual I will quiz you on the contents of the material.
3. Read the primary source documents on the Great Awakening under "Materials Needed." Also, listen to Jonathan Edwards' sermon "Sinners in the Hands of an Angry God," perhaps the most famous sermon in American history and one that is representative of the American Puritans and of the Great Awakening Period.
4. The picture on the assignment page is of George Whitefield. Notice that George Whitefield had a condition called strabismus, or cross-eyedness.
