

Classical Greek II

Assignment 9

- *vocabulary*. Memorize the vocabulary for Lesson 30 in Davis on page 96, Section 232.
- *grammar*. This week we will be going over the participles, which are conjugated very much as the third declension nouns are declined. Memorize the present active and passive participle forms of λύω from the sheet that I have posted online. Also, look at how substantives are made from the participles in section 245.
- *translation*. Translate Section 247 on page 101 in Davis, from Greek to English.
- *quotation to memorize*: Καίρῳ γινώθι, or *Know the right time*. The quotation is from Pittacus of Mytilene (650-570) BC, one of the 7 sages of Ancient Greece.
- *Test*. Make sure that you hand in your test this Friday.
