

Greek III

Assignment 31

- This is our last assignment. There is no quotation for this week.
- *Grammar and Translation*. Study **Gleason and Atherton**, chapter 37, which goes over the irregular nouns, meaning the *dreaded* Third Declension. The declensions have been posted at the end of this assignment sheet, although they are also contained in the book. Make sure that you do *all* translations. Before doing the translation work, memorize the vocabulary (posted below).
